OUR VISION
"Inspired and resourceful learners for life."
"Kia whakaara kia manawanui mo tona ao"

Thursday 1st August, 2019 (Term 3, Week 2)

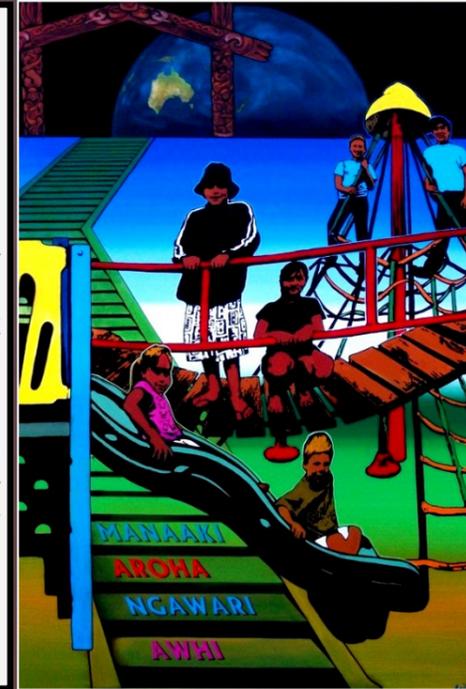

Kia ora koutou!

One winter term down and one to go. The shortest day of the year has already been so technically we are on our way back to summer. I've already noticed a little bit more light in the evenings. Ka pai!

Thank you to all those who attended Parent/Teacher interviews on Tuesday. Your feedback is always appreciated and really helps our teachers to plan specific programmes for your child/children. If you were unable to make it on Tuesday, don't worry. You can contact your child's/children's classroom teacher to arrange a better time to catch up and set goals for Terms 3 and 4.

Our School Fun Run is on next Tuesday 6th August beginning at 11am for Rooms 1-6 and 18, 11.30 for Rooms 11-15 and 12pm for Rooms 9 & 10 and Rooms 19-21. Come along and support our tamariki if you are able to. See you there!

Ka kite,
Brendon Morrissey

JUNIOR SYNDICATE NEWS FROM ROOM 4:

Room 4 really enjoyed the trip to Matthews Vintage Museum at the end of last term. We really liked seeing the old cars and getting on the tractors but the tractor train ride was our favourite.

Room 10 were our buddies for helping us make our Matariki kites. We made apple crumble to share with them and to thank them for helping us with our kites. We had heaps of fun flying them too.

This term our topic is Space and Room 4 have made a start on creating their spaceship. They have started out by painting and covering the outside with silver paint and foil. They are very excited to begin work on the control panels.

Well done to our Manawa award recipients last week. Great to see lots of kids out there doing good for others because they want to, not because they were told. Ka pai koutou!

Road Patrol News

Kaitaia Primary would like to take a moment to remind parents of the importance of not parking on the broken yellow lines around the crossing. While we understand that the weather has taken a turn for the worse at this time of year and you may be trying to keep out of the rain, keeping a clear space around the crossing helps keep our students safe. The safety of our students is always our top priority.

Thank you for your support in this area.
