

## JUNIOR SCHOOL NEWS FROM ROOM 5:

What a busy term we've had and we are only half way through it. Our topic this term is planting and we are learning what plants need to help them grow and survive. Earlier this term we enjoyed getting our gardens ready for planting bean seeds and lettuce seedlings. We also planted bean seeds inside the classroom. This week we were very excited to see how much they seemed to grow in just one day! We also had fun making and eating edible soil. Despite the wet weather, we enjoyed participating in cross country. Congratulations to Aza Garton and Cody Foster for placing 1<sup>st</sup> and 3<sup>rd</sup> and to all the children for having a go and trying their best. Those who were able to go had a great time boogying at the Commonwealth Games themed discos held this past week. We all had fun being creative with our art activities and dressing in yellow mufti for Daffodil Day.

## Kia ora whanau!

It's been a disrupted time at school recently with bad weather and flooding closing the school on a few occasions. Thankfully, apart from having to clean up some mud out of blocked drains, it hasn't been too bad for us. I would like to shout out to tamariki in communities where flooding has meant a loss of personal belongings. Our best wishes are with them all at this time.

A massive campaign is happening at the moment to ask whanau to help get their tamariki into school each day. Attendance rates nationwide have fallen during Covid times and schools are very keen to not lose any more learning time. Whanau, please continue your talks with your tamariki about how important it is to go to school to learn each day. Let's make Kaitaia Primary School's attendance statistics improve together.

Nga mihi  
 Mr M

Study Centre Spaces Available!

Another special mention about our Study Centre this week whanau. We have about 5 spaces available for new students to be part of this group. Study Centre operates out of Room 10 every Monday, Tuesday and Friday from 3pm to 5pm, during the school term.

All of our students in Study Centre are given extra tuition from trained teachers (Mr M, Mrs T from Room 9 and Matua Corey) in Handwriting, Spelling, Reading Comprehension and Times Tables in Maths. We are also learning how to play Chess.

We welcome parents/caregivers to come along and see their child’s progress at Study Centre. It really does give our students a boost in learning in key areas of the curriculum. Registration forms are available from our school office.
