SENIOR SYNDICATE NEWS FROM ROOM 14:

In room 14 we have been learning about the different ways scientists communicate. We have been doing this by researching the different parts of plants and using our research to do scientific drawings of different plants. These are some of the scientific drawings we have completed:

OUR VISION

"Inspired and resourceful learners for life."
 "Kia whakaara kia manawanui mo tona ao"

Thursday 10th September 2020 (Term 3, Week 8)

Kia ora koutou!

It certainly has warmed up a bit lately. Spring is definitely here and it's great to see the sunshine. Although we remain in Alert Level 2 for a while longer, we are navigating our way through Term 3 successfully. A few events have been cancelled along the way and we do apologise for that but our children's ongoing health and safety are always at the forefront of the decisions we make at our school.

Our school has been selected to be part of the lunches in schools programme. This programme is scheduled to run throughout 2021 and will be reviewed at the end of that year. It is not about families not being able to provide kai for their kids. Our tamariki come to school everyday with great kai in their bags organised by their whanau. The programme is about ensuring our kids have a healthy lunch each day and it gives whanau extra money in their pockets to help cover costs in other areas of home life. There are many details to sort before our school can start on this programme. I will keep you all informed about when our school will begin on this programme as we get closer to a start date.

Nga mihi,
 Brendon Morrissey

School Notices

In **Term 4** the staff at Kaitaia Primary School will be teaching...

Year 1-2 Knowing What to Do

Year 3-6 Getting Help

This is part of the personal safety programme **Keeping Ourselves Safe**.

The **Keeping Ourselves Safe** programme has been designed to give children the skills to cope in situations involving abuse. It has 3 overall aims:

To develop and strengthen children's skills to keep themselves safe with other people.

To support and encourage abused children to get help from caring adults.

To make teachers and parents/caregivers more aware of the need to keep children safe from abuse by adults or other children.

To be successful **Keeping Ourselves Safe** needs your help and support. Your child will have Home Book Activities to work on with you.

It is important that you participate as much as possible and talk to your child about what they have been learning. This will help reinforce the messages the school is giving, and help your child use his or her new skills with confidence.

A parent and caregiver meeting will be held as follows:

Date: Wednesday 16th September **Time:** 3:30pm-4:30pm

Venue: Whare Marino Room 15 and 15B (Senior School)

SCHOOL UNIFORM

DD Gold in Kaitaia's main street are now supplying our navy blue embroidered sweatshirt for **\$20.20** for sizes 4 to 14 and **\$23.90** for sizes S to 5XL. They also offer quotes for the Ministry of Social Development.

As part of our compulsory uniform our embroidered school polo shirt is available from the school office for **\$10** each (sorry no eftpos, so cash only!). Children are able to wear Navy or Black shorts, skorts, skirts, track pants or tights.

Even though the sweatshirt is not yet a compulsory component of our school uniform it is the preferred option and we are happy that **DD Gold** are able to offer our quality sweatshirts at this reasonable price. It is far cheaper than some of the brand name clothing that comes to school and often gets lost.

It is a really good idea to name your children's clothing as items often end up in our lost property boxes.

And **WOW!** How smart does everyone look when they are in the full KPS uniform.
