SENIOR SYNDICATE NEWS FROM Room 19:

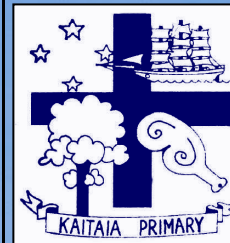

For a few months Room 19 have been busy product and ingredient researching, market researching, planning, designing, discussing, trialing, and problem solving...and now...their business; Homemade Mana and website is officially live!!

Their website was designed and created by our very own student: Angel!!! Incorporating the product photos and descriptions written from the students who designed and made them.

They ventured into this project of creating a business by incorporating their science learning from that term and finding a solution to their fundraising dilemma for school camp this year.

Check it out!! Feel free to place an order while you're there! All proceeds go towards their camp funds.

OUR VISION

"Inspired and resourceful learners for life."
"Kia whakaara kia manawanui mo tona ao"

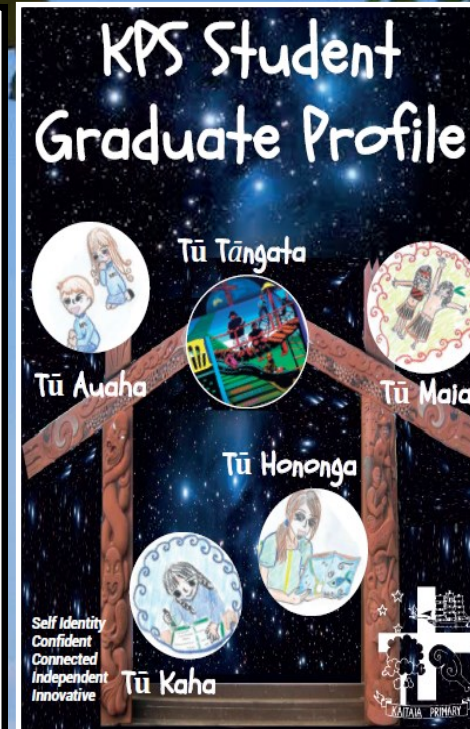

Monday 15th November, 2021 (Term 4, Week 5)

Kia ora koutou!

It's been great to get back onsite after our Alert Level 3 break. Our tamariki are really enjoying being back in the company of their friends as well as getting back to some regular school time. With the vaccination mandate fast approaching on Tuesday 16th November, it is important for everyone to know what the rules at school are around this. Firstly, all staff working onsite at school will have all had their first vaccination injection or may already be fully vaccinated. This rule applies to all of our part time staff and relief Teachers also. Any outside of school organisations, including local companies will have provided a letter to school outlining that their staff are vaccinated as per the mandate and they have their own company records for them to be working onsite at school.

This rule does not apply to whanau who are just visiting our school to pick up or drop off items for their tamariki. We do request that all visitors to our school will adhere to the Alert Level rules for schools when they visit. Under Alert Level 2, wearing masks is optional for our students and staff. Don't forget to keep your child/children home if they are sick with the flu. Thank you for your support with this whanau.

JUNIOR SYNDICATE NEWS FROM RUMA 6:

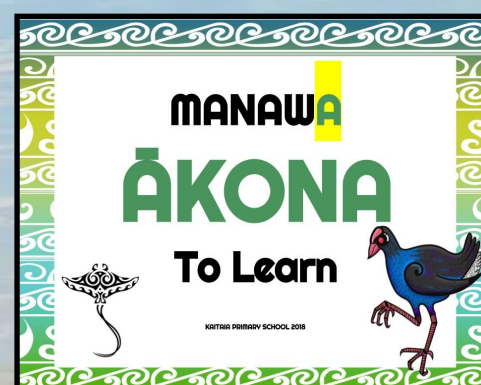

Over the past 2 terms, Room 6 have been learning about Animals. We are currently learning about our precious Kiwi. We know what a kiwi looks like and where it lives. We know that our taonga is endangered and why they are and how we can help protect them.

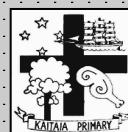

We are designing and making a Kiwis burrow

They created this beautiful collage art of African Animals in their habitat.

School Bus Arrangements for 2022

Next year will see some changes to our school transport as the Ministry of Education transitions to a new contract with bus operators. The school bus operator is changing on some of our routes. We are working closely with our school bus operators and the Ministry of Education to ensure that the transition to the new school bus operator goes well.

To make sure that the start of the school year goes as smoothly as possible, please familiarise yourself with the information below.

As always, please either stay with your children while they are waiting for their school transport in the morning or keep in contact with them to make sure that they are picked up safely.

School bus routes, timetables and bus stop information

Our school bus runs will continue on as per normal but will be with the Ritchies Bus Company instead of Petricevich Buses Ltd

Responsibility of caregivers

To ensure a safe environment for bus loading and unloading caregivers should:

- not park in bus bays
- adhere to the speed limit (20 km/h while passing a stationary school bus on either side of the road)
- try to eliminate the need for children to cross the road
- ensure that children get to and from the bus stop safely
- teach children to not run across the road

Please note: if you currently have a private arrangement with your bus operator, you will need to contact your bus operator to confirm that your arrangement will continue in 2022.

School transport queries

If you have any queries about our school transport, please contact our school office during normal school hours.

Thank you
Mr M
