## Kia ora whanau!

What an exciting start to the term and we've got plenty more exciting things for our tamariki still to come. It's been nice to see a bit of fine weather. We could sure use another week or two of it. Our grounds are still pretty soft and will turn to mud quickly if we open them up. In the meantime, we will keep using our hard court areas for outdoor play.

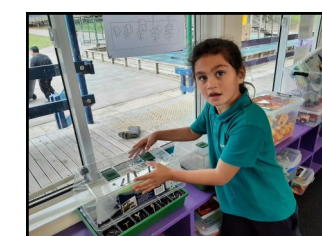

We have a new Board of Trustees beginning later this month and I look forward to working with them over the next 3 years. I'd like to say a special thank you to our outgoing BOT members; Michael Herring, Ngauru Heka and Shantel Naera. It was a genuine pleasure working with you all and your contributions helped our school to achieve many good things for our tamariki. We wish you all the best as you move on to new schools with your own children. Arohanui ki a koutou!

Nga mihi  
Mr M

## JUNIOR SCHOOL NEWS FROM ROOM 3:

It has been an exciting start to school for Room 3 children as we start Term 3. Everyone is enthusiastic about the Term ahead with all kinds of activities planned. Over the last two weeks we have started our 'Growing' topic and have been busy getting our garden ready and planting seeds. We have been conducting experiments to see what conditions seeds grow best in and have been learning about the parts of a plant. Room 3 children enjoyed creating Sunflower art with Whaea Theona.

Room 3 was also treated to a visit from a very cute lamb called Lamington which was kindly brought into school by Mike Baker. It was great to interact with the lamb and learn about it.

Room 3 were also able to visit the Gymnasium and have a go at some gymnastics activities. There were lots of new things to try. It was exciting and great fun.

## MANA POTENTIAL at Kaitaia Primary School (Managing my own emotions)

Mana – uniqueness, culture, Whakapapa, creativity, spirituality, gifts and talents, goals, taonga tuku iho.

Who are my <b>Go To</b> people right now?	Where are my <b>Go To</b> places right now?	What is my <b>Go To</b> phrase right now?	What <b>activity</b> can I do right now?	How can I <b>show aroha</b> for others and <b>myself</b> right now?	What <b>skills</b> do I currently have?
<p><b>Papātuanuku</b> It's my job to get myself back to <b>Rongomatane</b> or down to <b>Tangaroa</b>. It's also my job to let others know how they can support me right now. What can I do to get myself back to <b>Rongomatane</b>? What can others do for me right now? What can I do to get myself down from <b>Tūmatauenga</b> to <b>Tangaroa</b>?</p>

### Study Centre Spaces Available!

Another special mention about our Study Centre this week whanau. We have about 5 spaces available for new students to be part of this group. Study Centre operates out of Room 10 every Monday, Tuesday and Friday from 3pm to 5pm, during the school term.

All of our students in Study Centre are given extra tuition from trained teachers (Mr M, Mrs T from Room 9 and Matua Corey) in Handwriting, Spelling, Reading Comprehension and Times Tables in Maths. We are also learning how to play Chess.

We welcome parents/caregivers to come along and see their child's progress at Study Centre. It really does give our students a boost in learning in key areas of the curriculum. Registration forms are available from our school office.
