

**JUNIOR SYNDICATE NEWS FROM ROOM 5:**

In Room 5 we have been learning about Keeping Ourselves Safe. We have learnt not to walk across a road without a grown up or looking both ways before we cross the road. Walking on the footpath and using pedestrian crossings is very important too.

When we talked about fire safety we learnt about not playing with matches or anything that could start a fire or burn you. We decided it is best not go close to fires. We do not hold fireworks and light them. We need a grown up to help us with fireworks.

We always have to make our seat belts click and we have to keep them on all of the time the car is moving.

When we travel on the bus, we need to sit in our seats and use quiet voices and listen to the monitors.

We learnt we should not pat dogs on the head when it is eating or when it is playing with its toys.

OUR VISION

"Inspired and resourceful learners for life."

"Kia whakaara kia manawanui mo tona ao"

Thursday 22nd November 2018 (Term 4, Week 6)

Kia ora koutou!

Welcome back Winter! OMG hasn't the last few days reminded us that summer is not here in full force just yet?

With a few day trips coming up, I hope that this weather goes away so that our children can enjoy their fieldtrips bathed in sunshine. Pretty much all of the trips are based at the beach or at Lake Ngatu and focus on Water Safety. As part of our Keeping Ourselves Safe kaupapa for this term, it's important that our children are aware of the dangers in and around water and have knowledge of what they can do themselves to be safe when they're there.

Special thanks this week from me go to Rooms 9, 10, 12 and 19 who invited me along on their outdoor education excursions. I had a lot of fun and learnt lots with our tamariki. Magic!

Prize-giving is coming up on Friday 7th December from 9.30am - 12.30pm. Please lock that date in and come and join us in celebrating the achievements of our children this year. See you there.

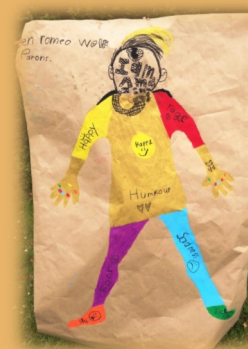

Ka kite,
Brendon Morrissey

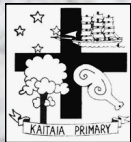

**SENIOR SYNDICATE NEWS FROM ROOM 11:**

As part of the school's 'keeping ourselves safe' topic, Room 11 has explored our body of feelings.

We've talked about 'yucky' feelings and 'delicious' feelings and the colours they each represent.

After tracing the outline of our bodies, we painted our experiences on the inside – using colours that best described our personal feelings. We then focused on creating our own positive affirmations for our heads!

Check this photo out! Our Room 12 tamariki fancied their chances at getting the Godwits and Seagulls up at Scott’s Point to take to the sky. They were right! Awesome day, awesome fun! What a cool memory.
