

## SENIOR SCHOOL NEWS: from Room 23:

Tēnā koutou katoa,  
 In term 2 Room 23 Kaupapa was ANZAC and MATARIKI. Our students prepared an interview based on the Matariki stars and ANZAC. They created their list of interview questions, then investigated, and researched for the required information. They developed their artwork into a background and worked with their peers preparing themselves to be filmed and finally sharing their video with the class. They also created a Kahoot Quiz that reinforced their research in ANZAC and Matariki.

## Kia ora whanau!

Our Matariki celebration this week has been awesome. We would like to thank all whanau who popped into our school and be part of the fun activities our teachers planned. Enjoy your Matariki holiday tomorrow everyone.

Board of Trustee elections take place this September. Over the upcoming weeks information about the BOT election process will be shared via school newsletter and our Facebook page. Inside this newsletter is an insert to introduce everyone to the process. If you have time to give and are keen to be part of how our school is governed over the next 3 years, please consider standing as a parent representative. Being on the Board of Trustees is a very important job and all BOT members ensure that our school management is looked after and that our school is compliant with all Ministry of Education requirements. We also get to create some awesome projects for our tamariki along the way.

Nga mihi  
 Mr M

## MIDDLE SCHOOL NEWS: from Room 12:

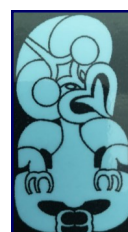

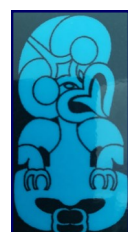

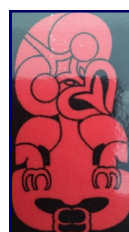

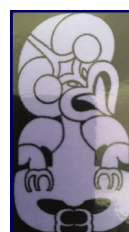

Room 12 has had a very busy term, we had camp in week one where we got to visit "The Footsteps of Kupe" at Manea in the Hokianga and learn all about how Kupe travelled to Aotearoa and his adventures with Te Wheke. Next up was sign language week where we taught all of the school different signs, were featured in the newspaper and had an amazing mufti day celebrating sign language. This week we are busy with Matariki learning and celebrating with the rest of our school doing activities such as star gazing, Tititorea, Haari i te whare. Rongoa - Kumarahou Balm and more.

### Study Centre Spaces Available!

Another special mention about our Study Centre this week whanau. We have about 5 spaces available for new students to be part of this group. Study Centre operates out of Room 10 every Monday, Tuesday and Friday from 3pm to 5pm, during the school term.

All of our students in Study Centre are given extra tuition from trained teachers (Mr M, Mrs T from Room 9 and Matua Corey) in Handwriting, Spelling, Reading Comprehension and Times Tables in Maths. We are also starting a NZ Histories project this term about The Migration Story - how Polynesia was discovered by the early Polynesian explorers.

We welcome parents/caregivers to come along and see their child's progress at Study Centre. It really does give our students a boost in learning in key areas of the curriculum. Registration forms are available from our school office.
