### JUNIOR SYNDICATE NEWS FROM ROOM 3:

Room 3 children have been very busy learning about all kinds of things from dinosaurs to people. They learnt how to draw a person. The children practised drawing themselves first and talked about where their arms and legs should go, then they decided on some shapes that they could use to make a person. Everyone agreed that they needed a circle for their head, an oval for their body and some thin rectangles for their arms and legs. They used these basic shapes to create a person. Below are some of their pictures.....

Room 3 have also had some time to play and experiment with equipment in the classroom. They have created buildings, towers, highways and railways. They have had adventures with dinosaurs, zoo animals, ninjas and princesses.

### OUR VISION

"Inspired and resourceful learners for life."  
"Kia whakaara kia manawanui mo tona ao"

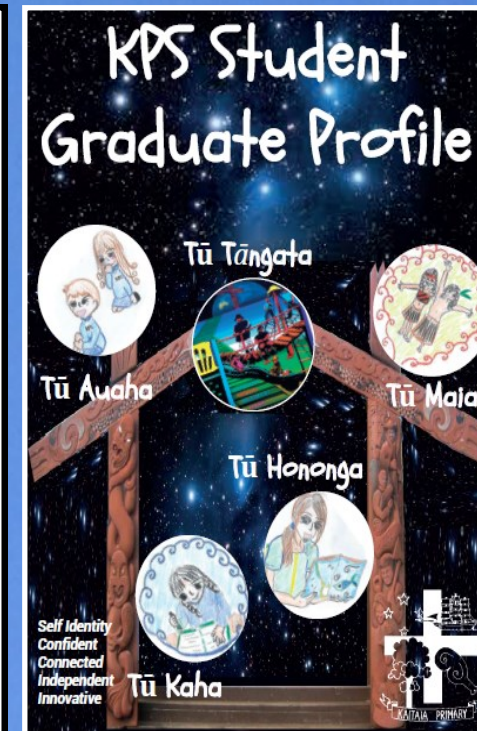

Thursday 27th August 2020 (Term 3, Week 6)

### Kia ora koutou!

Thank you everybody for the calmness and support you have shown during our recent Alert Level 2 time at school. We continue to maintain higher levels of vigilance and are working with our tamariki to keep ourselves clean and healthy and safe. Speaking of Keeping Ourselves Safe, that is a major focus of Term 4 at our school every year. In this newsletter we have shared some information about the topics we are learning in our school. Also mentioned is a very important parent/community meeting which is scheduled for Wednesday 16th September from 3.30pm - 4.30pm in our Whare Marino (Mission Place Kindy end of our school). Please make time to be there if you can. You will have the opportunity to ask questions of our staff and our local Police Education Officer.

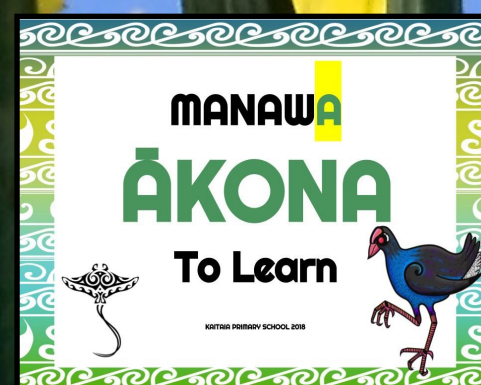

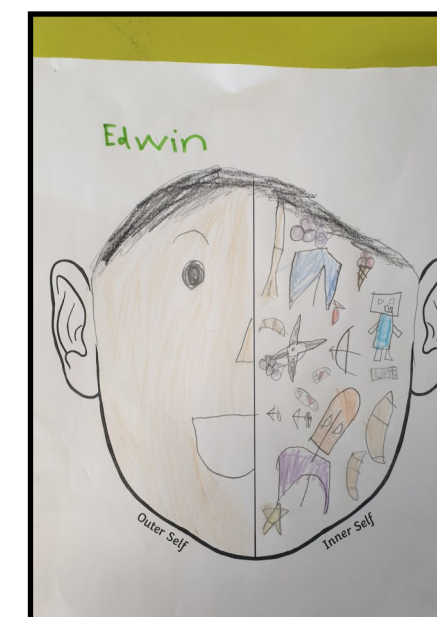

**Don't forget, it's Daffodil Day this Friday and we have a free Mufti Day for our tamariki. Theme = dress in yellow. Our school will give a koha to the Cancer Society in honour of the day.**

### SENIOR SYNDICATE NEWS FROM ROOM 13:

Room 13 have been doing a lot of work around what makes us happy and calm. We have go-to phrases such as "you can do it!" go-to calm places, go-to people, and go-to activities. We have learnt how to calm ourselves down by learning breathing techniques and knowing what our go-to interests are that can help us. Our gardens are one of our favourite places to visit.

## School Notices

In Term 4 the staff at Kaitaia Primary School will be teaching...

Year 1-2 Knowing What to Do

Year 3-6 Getting Help

This is part of the personal safety programme **Keeping Ourselves Safe.**

**Keeping Ourselves Safe** has been designed to give children the skills to cope in situations involving abuse. It has 3 overall aims:

To develop and strengthen children's skills to keep themselves safe with other people.

To support and encourage abused children to get help from caring adults.

To make teachers and parents/caregivers more aware of the need to keep children safe from abuse by adults or other children.

To be successful **Keeping Ourselves Safe** needs your help and support. Your child will have Home Book Activities to work on with you.

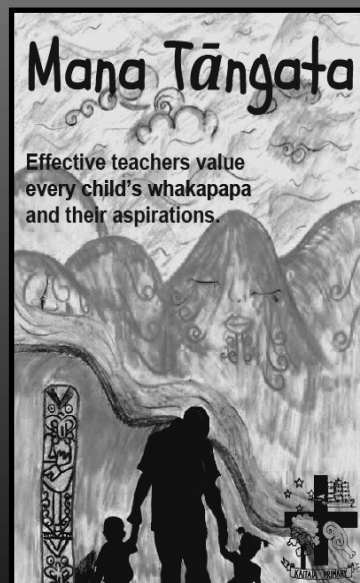

It is important that you participate as much as possible and talk to your child about what they have been learning.

This will help reinforce the messages the school is giving, and help your child use his or her new skills with confidence.

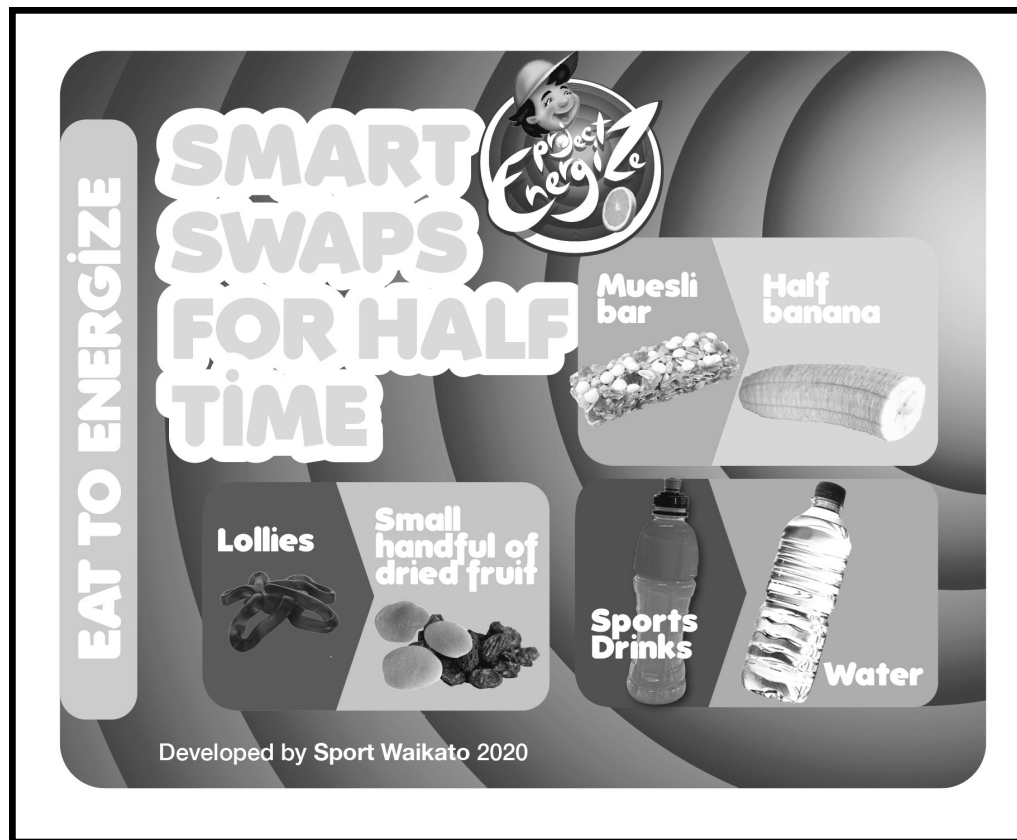

**A parent and caregiver meeting will be held as follows:**

**Date: Wednesday 16<sup>th</sup> September Time: 3:30pm-4:30pm**

**Venue: Whare Marino Room 15 and 15B (Senior School)**
