SENIOR SCHOOL NEWS FROM ROOM 23:

Tēnā koutou katoa,

In term 3, the Room 23 Kaupapa was Commonwealth Games. Students created a Power-Point that included a short piece of research, based around an Commonwealth Games athlete from Aotearoa. It had English and Te Reo Māori translations of sports events and countries. It also included their own version of the Games Charter and some acrostic poems. The whole school challenge involved all classes creating an emblem, banner and blurb that represented their chosen country.

Study Centre Spaces Available!

Another special mention about our Study Centre this week whanau. We have about 5 spaces available for new students to be part of this group. Study Centre operates out of Room 10 every Monday, Tuesday and Friday from 3pm to 5pm, during the school term.

All of our students in Study Centre are given extra tuition from trained teachers (Mr M, Mrs T from Room 9 and Matua Corey) in Handwriting, Spelling, Reading Comprehension and Times Tables in Maths. We are also learning how to play Chess.

We welcome parents/caregivers to come along and see their child’s progress at Study Centre. It really does give our students a boost in learning in key areas of the curriculum. Registration forms are available from our school office.
