

**SENIOR SYNDICATE NEWS FROM ROOM 19:**

Tēnā koutou katoa. Ngā mihi nui ki a koutou katoa.

In ruma tekau ma iwa we have incorporated programmes that students have really enjoyed such as the 'KA PAI KAI' programme which has provided a healthy and nutritious lunch from Te Hiku Hauora and Lisa Dean was the Korikori-A-Iwi Kaimahi. 'UP2PACE' a new Health and PE programme Derek Ashley is running out of Te Runanga o Te Rarawa and 'Cross Fit' which is a programme that Kohatu Fit Kaitaia run. Other learning that we have integrated is Kapa Haka, pāngarau and new reading resources; 'Key Comprehension Series.' These are set as a daily reading task.

We have written speeches based on Tangata Rongonui (Idols) in the students personal lives, we also created posters for the 'Teachers Strike' as well as many other learning activities. We still have an up-coming trip to Waitangi which will incorporate technology.

Finally, we would like to welcome Matua Damian Rice into our kura. He is supporting a number of our children in class and out in the playground.

Nau mai haere mai Matua Damian

Please show your support for the following sponsors who have taken time to support us.

This advertising space is available to a local business who wishes to utilise this service.

If you are keen to take up this opportunity, please contact Mrs Sharon Patrick at our school office.

OUR VISION

"Inspired and resourceful learners for life."

"Kia whakaara kia manawanui mo tona ao"

Thursday 30th August 2018 (Term 3, Week 6)

Kia ora koutou!

Fun Run, Ned Show and now Cross Country all done. Wow! What a busy term it's been so far. There's still a number of things to happen at KPS before the end of this term including a visiting performer from Duffy Books in Homes.

Only a few more weeks to go before all our winter sports codes are finished for another season. A special thank you to all our coaches, managers and supporters this year. You have all helped our children develop their individual skills as well as their ability to work as part of a team. These are all very necessary skills to succeed in life. Whether our children won or lost, they learnt in a positive and supportive environment. Thank you all for making this possible.

Finally this week, stay warm and dry out there. The flu and other bugs have certainly been active this winter. I've just got my second head-cold for the year and am not enjoying it much. Hopefully it will be gone by the weekend. Stay safe everyone!

Ka kite,
Brendon Morrissey

**JUNIOR SYNDICATE NEWS FROM ROOM 6:**

We've been busy this term learning about different weather patterns. Some questions we have been researching are: Why does it rain? What type of clouds are there? Where does thunder and lightning come from? We have had fun experimenting - making rain clouds and making lightning too. We would like to thank Darren Shanks from Kaitaia Resource Recovery Centre for framing our worm farm for us, this is an ongoing project where we have buddied up with Room 10 to establish a worm farm to feed our plants. Gymnastics has started and Room 6 have been enjoying developing cognitive skills and working at improving our flexibility.
