## SENIOR SCHOOL NEWS FROM ROOM 9:

### Room 9 ↔ Recycled Art

Room 9 used recycled milk bottles to make our whanau of elephants in Term 2. Along with some newspaper for paper mache, surplus material, some paint and our creations were born. The children had to work as a group and make elephant whanau, which they did beautifully.

Such creativity and talent abound!

We decided on elephants as they are so family orientated and support each other no matter what. The class realised from their Lock-down experiences just how important whanau was and how vital it was to help and care for each other.

## OUR VISION

"Inspired and resourceful learners for life."  
"Kia whakaara kia manawanui mo tona ao"

Thursday 30th July, 2020 (Term 3, Week 2)

Kia ora koutou!

Welcome back everyone! I hope you all enjoyed the 2 week break and got to spend some fantastic time together with friends and family. Now that we are back into school, I am hoping that we will get back to some normality. It will be nice to get through a term without any disruption to our children's learning.

I have been talking with our classroom Teachers about being laser-focused on our learning this term. We are fast running out of learning time this year and it's really important to maximise the time we have left. Where parents/caregivers can really help make a difference is in helping to set learning goals and then help monitor progress at home. **Parent/Teacher interviews** give us all a chance to sit and make a plan together to set some goals for our tamariki this term. **Don't forget, school is closed for instruction tomorrow and no school buses will be running.** If you are unable to make it to an interview time tomorrow, don't panic. Simply contact your child's Teacher to arrange another time.

As always whanau, I thank you all for the support you give your tamariki and to our school. With your ongoing support, we can continue to achieve and celebrate significant learning milestones with you and your child/children.

Ka kite,  
Mr M

## MIDDLE SCHOOL NEWS FROM ROOM 11:

Room 11 had a busy few weeks before the holidays. We had a lot of fun (and even more hard work) building new gardens on the school ground, cooperating with Rooms 12, 13 and 14. We have learnt about the parts of a plant and through experimentation we have found out that plants need light, water and good soil to grow healthy and strong. As part of our Garden to Table project, we are learning to grow our own food and to prepare it for eating.

## School and Community Notices

### KPS Cross Country 2020

We would like to invite all of our parents and caregivers to our School Cross Country **Tuesday August 11<sup>th</sup> (Rain off day Wednesday 12<sup>th</sup> August)**

**STARTING TIMES:** 11.00am Senior School Years 3-6.  
1:30pm Junior School Years 1-2

**WHERE:** Bottom Field behind Te Whare Marino.

Children will need to bring **sensible running clothes, something warm** to put on after the race (The school Adidas Jackets would be perfect for this) and a **change of clothes and towel** just in case. This is always a great day and we look forward to seeing you there.
