**Kia ora koutou!**

Well, here it is whanau, the last newsletter of 2019. What an amazing year it has been! Once again our school roll has grown to exceed 400. We have some very exciting news for 2020! We will have an extra classroom in the senior school area giving us 18 classrooms in total. We farewell Mrs Neki in Room 2 who will be going to teach at Paparore School next year. We also farewell Mrs I and Whaea Becs who have been teaching in Room 12 for the last term and a half. We will be welcoming 3 new teachers in 2020. We will also be welcoming 5 new roll-growth classrooms in 2020. 3 will be in the Junior area of our school and 2 will be in the Senior school area. The roll growth classes are to help our school grow even more over the next 20 years.

Thank you to everyone who has journeyed with us through the 2019 school year. Our school is stronger because of our relationships with whanau at our school. I look forward to seeing many of you at Prize Giving tomorrow and in 2020.

Ka kite,

**JUNIOR SYNDICATE NEWS FROM ROOM 5:**

Room 5 students have had a busy term taking on technology challenges based around classic Fairy Tales. Students made a plan to construct a boat, raft or bridge to move the Gingerbread Man across the river. Most were successful however, some students changed their design to insure the Gingerbread Man didn't get wet and others unfortunately lost their Gingerbread Man in the process. When reading about Jack and the Beanstalk, Room 5 students planted a magic seed and decorated a castle for the beanstalk to grow up on. We enjoyed caring for our beans and watching them grow.
