Thursday 6th June, 2019 (Term 2, Week 6)

**Kia ora koutou!**

Thank you everyone for your kind support of our Teachers and Principals on strike day last Wednesday. Our government has been notified by the PPTA (Secondary Schools union) that there will be 9 more strike day actions happening in the upcoming weeks. I expect our NZEI (Primary Schools union) will follow suit in some way. Nobody is more sorry about this than the Teachers and Principals of Aotearoa but if we don't take a stand now, there will not be enough Teachers to staff our schools soon.

On a brighter note, we have BOT elections happening at the moment with 6 parent candidates to vote for. Please take time to vote for your favourite 5 and drop into school before noon this Friday (**TOMORROW**). I look forward to working with another new BOT and navigating our school through the next 3 years. Onwards and upwards team!

Ka kite,

**SENIOR SYNDICATE NEWS FROM ROOM 19:**

Tēnā koutou katoa. Ngā mihi nui ki a koutou katoa.

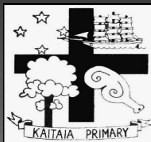

This term, ruma tekau ma iwa me ruma tekau ma rima had camp on the third week of school and we enjoyed it immensely. Our kaupapa for camp was based around Tohe's Journey. We began our journey by stopping in Te Kao where Tohe's daughter Raninikura met her tane Te Ra Turoa and moved with him to Ngati Whatua. On Tohe's return to his home Maungapiko (Kapo Wairua) he was mokemoke for his daughter and he decided he was going to look for her. This was the next place where we stopped, MAUNGAPIKO. We then stayed the night at Te Reo Mihi Marae (Te Hapua).

The following day, we ventured to the places where Tohe stopped and named for various reasons with his Ariki along Te Oneroa a Tohe ... The long beach of Tohe (90 mile beach) which is not actually 90 miles but 88 kilometres (we were informed by our bus driver). We then stayed the night at Roma Marae and carried on with our journey to Hokianga where we stopped, then returned home. We hope to complete Tohe's Journey in term 4. With all the learning of our Rangatira from here, we would like to put together the korero from Whaea Pare Nathan and the mural in Room 15 (te Whare Marino).

Our students photos, korero and other resources we have gathered are a taonga for us to use. With the support of the skills that we learned from Raranga Matihiko (at the Waitangi Museum) we will create a resource for our whole school to use in the future.

iMoko News Update!

Dear Parents/Caregivers,

If your child has had a throat swab recently by our iMoko team and the results come back as positive for Strep A, please keep your child/children home for the first 24 hours after they have taken their first dose of medicine. During this time there is still the possibility of your child passing the Strep A symptoms on to another child at school. This is a recommended precaution from the Moko team. Thank you for your support with this.

Nga mihi nui ki a koutou.

# WATERCRESS & PUHA!

When picking both wātakirihi (watercress) and puha they are tastier before they flower. Make sure the water is clear when picking wātakirihi and snap at the base of the stem. If you can, pick Puha in the morning for a tastier harvest.
