

SENIOR SYNDICATE NEWS FROM ROOM 19:

Tēnā koutou katoa. Ngā mihi nui ki a koutou katoa.

This term Room 19 & Room 15 have had the opportunity of completing our topic of 'Te Haerenga o Tohe'. Our aim is to put all our korero together of Tohe(s) Journey to use as a future resources as our kaupapa was based around the legend of Tohe and the places he named and stopped at. This relates directly to the mural that is in Whare Marino. It was created in 2004.

We also would like to thank our all the people that helped us as well, during both of our camps.

We will be working on basic whaikorero and karanga in preparation for our Reorua Year 6 tamariki graduation on the last week of school. We have also been working on our athletics skills with all the other Year 5 & 6 classes.

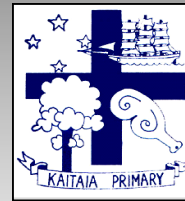

Please show your support for the following sponsors who have taken time to support us.

Kia ora koutou!

Attached to our school newsletter this week is our Kaitaia Primary School Community Survey for 2019. A copy of this will also be put on our School Facebook page. The survey provides a lot of valuable information for our Board of Trustees and Senior Management. Your responses will influence many decisions we will make for the upcoming school year. Please take time to complete the survey and return it to school with your child/children. If you are happy to put your child's/children's names on your returned survey (this is optional), it will go into a prize draw. I will select 3 surveys in the next 3 assemblies. Hopefully that will ensure we have an excellent amount of responses.

Thanks to everyone who came for our Athletics day on Monday. Gee that was a hot one alright! Our kids did well to give all that effort on the day and many went home tired and a little sun burnt. Most did well to keep their hats on and make sure that they had lots of sun block on.

Ka kite,
Brendon Morrissey

JUNIOR SYNDICATE NEWS FROM ROOM 3:

Room 3 had a lot of fun at our School Athletics Day. The children drew some pictures of their favourite activity.....

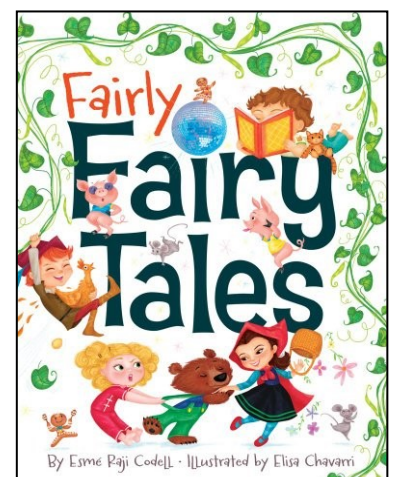

Jaxx and Hemi liked skipping best and Gabriel enjoyed winning a running race.

Room 3 have been doing some art and craft activities around our Fairy Tale topic this term. The children listened to the story of Sleeping Beauty. They then had to paint a portrait of themselves as a prince or princess. They spent time designing a crown and some jewelery. Once they had decorated it they added the crown to their self portrait.

The children also listened to the Fairy Tale of Cinderella. They designed her a very unique slipper and decorated it with 'jewels'.....
Here are some examples of their work.....

Black and White FREE Mufti Day - Wednesday 13th November

Our school support staff are currently going through negotiations with the Ministry of Education for better pay rates, job security and career development. Our teachers tell us "they can't do without us" as we are their support during class time with special needs students, children who struggle academically, emotionally and physically. We love what we do, but Fair's Fair! We are taking our messages to government by holding a free sausage sizzle outside the old Pak N Save car park on Wed, 13th Nov to promote our cause. Please come along and hear what we have to say. We need and value your support. We are hoping that all children of KPS will come along in black and white mufti on that day to show their support for us too!

TELEPHONE BOOK DELIVERY

Once again we will be delivering the Northland Telephone directory within the town boundaries during the week of 29th November to 8th December.

We divide the town into about 16 areas and would appreciate if you could deliver to one or two of those areas. It only takes about one to two hours per area and is a great fundraiser for our school -

KEEPING KPS AS A NO FEES SCHOOL.

If you can help please phone Sharon Patrick in the office, or pop in to see her.

Thank you.
