

## SENIOR SYNDICATE NEWS FROM ROOM 10:

### A Journey Through Space!

In Term 3, the students in Room 10 wrote stories about brave young adventurers and their missions through space. They based their story structure on 'The Hero's Journey' outlined by Joseph Campbell.

We used Eric Carle's Art Style to create aliens that our heroes would encounter on their journeys.

We created art that mapped out the planets and stars that their characters were going to visit.

### OUR VISION

"Inspired and resourceful learners for life."

"Kia whakaara kia manawanui mo tona ao"

Thursday 8th November 2018 (Term 4, Week 4)

### Kia ora koutou!

Our recent KPS Athletics Day was awesome. I think we were very lucky to dodge most of the rain. I thought our tamariki were supportive of each other and tried their best on the day. Well done kids! Our Y4-6 place getters from events held on the day will be representing our school at the Far North Zone champs which will be held at Taipa on Friday 16th November. Newsletters will come home with the children who have qualified soon.

Our KPS Prize Giving will be held on Friday 7th December from 9.30am-12.30pm. If you can make it on this morning we would love to share our class items and award presentations with you. Please add this to your diary now.

Many of our classes are learning about Water Safety and have had instruction in snorkelling and safety at the beach. Our junior school will be going to Lake Ngatu later on this term on Tuesday 11 December. Parent helpers on the day would be awesome too. Notices about this event will come home with our junior school children.

Ka kite,

## JUNIOR SYNDICATE NEWS FROM ROOM 4:

Room 4 and the junior primary has been practising for the athletics, learning how to jump in the sack racing. They also learnt how to hold the egg on the spoon for the races, play hula hoop, skip, throw quoits, and stay in their lane when running. We were lucky that the rain didn't stay for too long and it ended up a fun filled day. Was lovely to see whanau come and support our children.

We celebrated Mrs Morris' birthday with a lollipop and Freddo frog.

We made big letters for our "Keeping Ourselves Safe" topic, learning about line drawing, and presented them at assembly. We had a win and got to sit on the seats for good behaviour in the next assembly.

Cheers from us in Room 4!

### KPS - producing winning athletes

In the past year and a half current and former KPS students have been excelling in the sport of cycling as members of the Far North Flash Cycling Club. Last year Tyler Mia Foster became Kaitaia's first ever North Island Road Cycling Champion. Another former student Karlita Pomare won a silver medal at the NZ Schools Track Cycling Champs. During the last school holidays current student Geraldene Leef (Rm21) secured 2nd spot competing at the YUNCA Junior Tour of Southland in Invercargill. Renee Harrison was 6th, Sunny Stedman 8th and Kahra Lee Erstich 14th. What made this a remarkable feat was that it was the girls first ever road race. Last week, while attending the ASB Northland Secondary Schools Sports Awards, former student Crystal Wikaira was the winner of an Emerging Talent award. KPS is developing successful athletes who are achieving at regional and national levels.
