

**SENIOR SYNDICATE NEWS:**

In Room 14 this term we have been focusing on statistics. We have learned all about our favourite things. To do this we have used tally charts to survey the class and then turned these tally marks into histograms. Here are some of our favourite things in room 14. Can you read a histogram? Have a try!

What is Room 14s favourite dessert?

What is the least popular pizza flavour in Room 14?

Which drink is most popular in Room 14?

He aha te kararehe pai rawa atu ki a Room 14?

OUR VISION

"Inspired and resourceful learners for life."
"Kia whakaara kia manawanui mo tona ao"

Thursday 9th April, 2021 (Term 1, Week 10)

Kia ora koutou!

Great weather for everyone over the Easter break. I hope you all enjoyed a bit of family time in the sunshine. Added bonus I reckon is the extra hour sleep in we have now daylight savings is over too.

We have had a great term with some amazing highlights. The fact we got through a whole term without Covid was fantastic (touch wood). Our swimming sports events went very well with the least amount of non-swimmers I have ever seen at KPS.

As we look forward to term 2, I am excited about our Junior School building project getting underway and some of our Junior and Senior School staff being able to move into their new classroom spaces. The classroom upgrades look awesome and we can't wait to share them with you all.

Ka kite,
Brendon Morrissey

**JUNIOR SYNDICATE NEWS:****Room 4**

What a busy and fun filled term we have had! We have had lots of students start school for the first time this term and what a wonderful class whanau we have become. Room 4 have settled into routines and are showing kindness to one another as we grow and explore. We have been learning about different sea creatures and how they are suited to where they live. We loved exploring the rocky shore at Ahipara and finding creatures in the rock pools. Here are some pictures of what we have been doing...

NO NETBALL FOR K.P.S

Unfortunately, we did not have enough players return registration forms to play Netball for our school. Maybe next year. Manganui Netball Centre has a Facebook page and some teams may still be looking for players...check it out.

Bus Reminders

Parents must write a note or let the office know before 2 pm if there is a change to the normal routine for their child/ children if they travel on the bus. Each child is marked off on a roll in the Junior School and in the Senior school each afternoon so it is important that we know if they are being picked up or are going home another way.

Bus Bay

Our school bus bay needs to be kept clear for our buses between 8.15 and 9am and from 2.30 - 3.15pm. We have over 250 children getting on and off buses during these times. It is crucial that our bus drivers vision is not blocked by other cars. Please help with this issue parents before we have a terrible accident!

Absenteeism

Our KPS school website has a online forms tab to report absences and a update contact details tab. Alternatively parents can txt absences to the office mobile 02108422405. Parents can also still call the school phone number and leave a absentee message. Parents please update your contact details if details have changed.

Many Thanks
