

Lift the Lip Consent Form

Lift the Lip is a nation wide incentive to encourage checking for signs of Dental Decay in our Tamariki and then arranging appropriate Dental Health Care for them based on their level of oral health. With your consent, Dental Health Promotion Kaimahi will perform this check at your child's pre-school. They will note any visible signs of decay and help put you in touch with the right services to ensure your child receives any necessary treatment. The check is non-invasive, and takes less than 2 minutes.

I, _____ give consent for _____
to receive a "Lift the Lip" dental check by Te Hiku Hauora Dental Health Promotion
Kaimahi

I understand that this check is not equal to a professional Dental Exam by a qualified Dentist or Dental Therapist, and that its purpose is to provide a simple idea of any Dental treatment my child may need.

Kaitaia Primary School Assembly

Starting from this **Friday 8th June**, our school assembly will take place in our Hall from **9-9:40am**.

We are trialling this through to the end of this term to see if the earlier start suits parents who may be able to stay after they drop their tamariki off.

We believe the earlier assembly time will be a positive start to our last day of each week.

Come along and join us this Friday at 9am.

See you there.
