Ngā mihi mahana ki a koutou

Thank you so much for supporting our teachers to give them time to process the latest offer from NZEI union negotiations with MOE. We are grateful to you all for making yesterday go so smoothly, from the lunchtime pick-ups and communications, to the very successful senior Disco!

Teachers are well into mid year assessments and writing reports. These will go home at the end of this term. Attendance, focus, and keeping in touch with teachers can make a huge difference to individual achievement.

Flu and covid infections are out there - please keep your child home if they are unwell.

Kaitaia Primary is open as normal tomorrow, but will be closed on Monday for King's Birthday.

See you all again on Tuesday 6th of June.

CLASSROOM HIGHLIGHTS

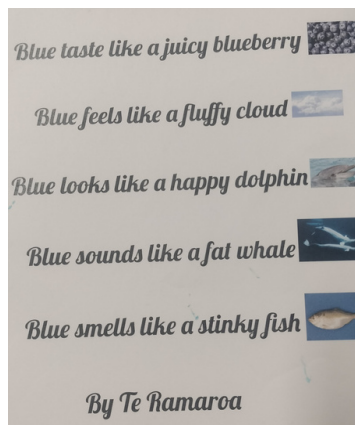

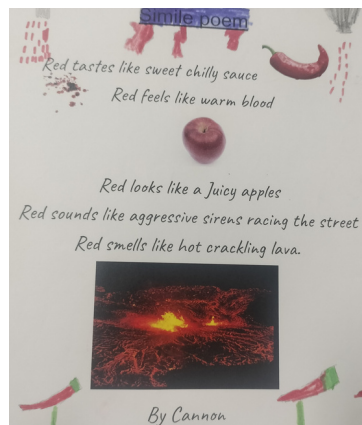

Room 11

Room 11 have put on their inventor hats and have been creating different instruments and devices to produce sound as we research how sound travels! We also have had fun this term supporting Pink Shirt Day that promotes anti-bullying! We tie dyed our own pink shirts with the help of our friends in Room 10. We then created posters and a chant for why we stand against bullying and performed it to the school!

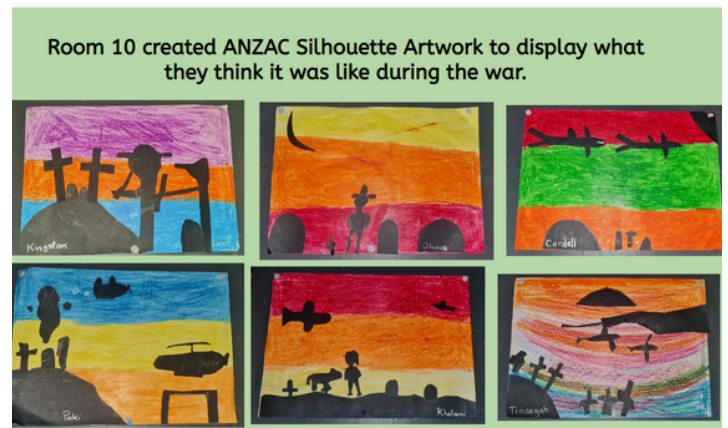

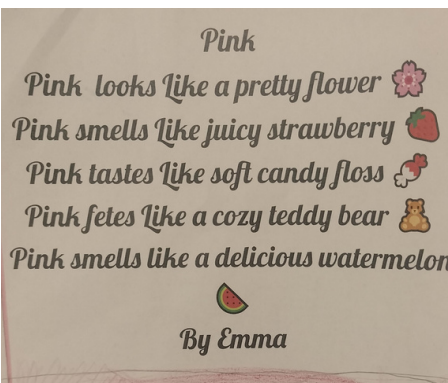

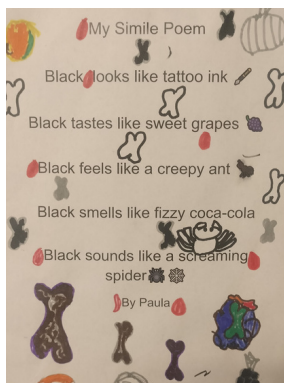

Room 12

Room 12 have had a great start to Term 2. We have been learning about Light and Sound for our inquiry. We have been exploring sources of light and have identified the sun as a light source and that light is needed for objects to be seen. For P.E we are focused on large ball skills and have been practicing how to use space efficiently and move in a variety of ways. We celebrated NZ Sign Language week by learning how to sign our names. Whaea Sarah and some senior students came to our class to teach us a fun game.

Room 10

ANZAC Silhouettes

Room 10 has been doing lots of learning! Our main topic since returning to school has been ANZAC Day. Our silhouette pictures show what Room 10 thinks it was like during the war.
